# PROTO

Bring your desires to life

**We make our prototypes at scale 1 according to the design imagined at Sima.**

Each model is digitized in 3D before the production of a pre-series by the factory.

The tests carried out then lead to improvements until the final validation.

# Fifty 50

The vintage Motorcycle  
for 16 year olds!

## **Fifty 50** Matt Black / Yellow Gold

**The Fifty 50 has been a success since 2017!**

**Young and old have adopted this 50 cc motorcycle with a retro look.**

The Euro 5 version with its vertical 4-stroke engine is enriched with electronic fuel injection which improves engine flexibility.

The classic retro style remains.

The only vintage motorcycles for 16 year olds.
